ABOUT ME

A detail-oriented Applied Sciences graduate with a comprehensive background and strong foundation in Mathematics, Statistics, and Chemistry. Passionate about leveraging data-driven insights and scientific rigor to optimize operational workflows, ensure quality assurance, and support sustainable environmental practices. Seeking a dynamic role in analytics, scientific research, or operations/executive to apply my multidisciplinary expertise toward solving complex problems and driving process excellence

EDUCATION

GCE O/L

2017

Homagama Centrel College

A -8

B - 1

GCE A/L (Physical Sciences Stream)

2020

Pannipitiya Dharmapala Vidyalaya

Combined Mathematics - C

Chemistry - C

Physics - C

B.Sc. in Applied Sciences

2020 - 2026

Rajarata University of Sri Lanka | Faculty of Applied Sciences |
Department of Physical Sciences.

Major Subject Combination

- Statistics
- Mathematics
- Chemistry

Certificate of Completion

Certificate of Completion (English Language) - Technical College Homagama (NVQ - 4) (2020)

Certificate of Completion (English Language) - B.A.E. Institute Puwakpitiya (2022/2023)

50h Cambridge Course - Institute of English Homagama (2015)

WORK EXPERIENCE

Operations Officer |

Jun 2026

Modern Mark Development Ltd.

- International BPO Operations: Facilitated seamless overseas BPO services by remotely and accurately managing financial accounts for international clients.
- Financial Data Management: Streamlined bookkeeping and accounting workflows utilizing advanced MS Excel functions for precise financial tracking and reporting.
- Banking & Reconciliation: Administered day-to-day corporate banking operations, ensuring secure transactions, efficient fund reconciliation, and strict process compliance.

Data Analysis Internship|

Apr 2026

Codveda Technologies

- Engaged in professional data analysis tasks and projects, expanding practical skills in statistical computing and data manipulation.

Volunteer Mathematics Teacher |

Sep 2022 - 2026

Sasnaka Sansada (Ganitha Saviya Remedial Teaching Program)

- Mentored over 1,000 G.C.E. (O/L) students across 35+ government schools in Colombo and Gampaha districts through targeted individual and group problem-solving sessions.
- Contributed to a 10% average increase in school-wide mathematics pass rates, driving significant academic improvement among previously underperforming students.

Career Guidance Mentor (Telephone Operator) |

2022

Sasnaka Sansada & USAID Career Development Program

- Provided strategic career and academic guidance to over 1,000 students through a collaborative development program partnered with USAID.
- Conducted mentoring sessions to help students evaluate their skills and interests, successfully assisting them in identifying and planning appropriate future career pathways.

RESEARCH PROJECTS

Final Year Statistics Research Project | Rajarata University of Sri Lanka

- Modeling and Forecasting Rainfall Patterns using Nonlinear Autoregressive (NAR), Nonlinear Autoregressive Exogenous (NARX), and Autoregressive Integrated Moving Average (ARIMA) Models with Logarithmic Transformation, Handling Non-linear Data, and Hydrological Forecasting with Climate Data Analysis.

Undergraduate Maths Research Project | Rajarata University of Sri Lanka

- Evaluating the Impact of Synthetic Bridge Nodes (Using Graph Theory , Network Resilience Simulation, Social Media Analytics) on the Structural Recovery of Social Networks with Network Resilience Simulation and Social Media Analytics

Statistic Group Project | Rajarata University of Sri Lanka

- Automated Disease Detection System for Common Sri Lankan Crops Using Deep Learning and Convolutional Neural Networks (CNN) with Image Classification and Pattern Recognition.

TOOLS

- Matlab
- R studio
- Python
- LaTeX

SKILLS

- Management Skills
- Leadership
- Data analysis skills
- Team work and collaboration
- Critical Thinking
- Adaptability

INTERESTS

- Statistics
- Mathematics
- Data Analysis
- Teaching
- Research
- Volunteering
- Environmental Chemistry
- Chemical Process Thechnology
- Analytical Chemistry

ACHIEVEMENTS , EXTRA-CURRICULAR ACTIVUTES & LEADERSHIP

- Student Executive (Action) Committee Member - Students Union of Rajarata University of Sri Lanka, Faculty of Applied Sciences (2023 - 2026)
- Volunteer Member, Sasnaka Sansada Foundation (2022 - Present)
- Faculty of Applied Sciences Exhibition FAS explorer 2025, Department of Physical Science, Chief Coordinator and Chief Executive Officer, Member
- Member, Industrial Mathematics Students' Association, RUSL (2023 - 2026)
- Member, NextGen Chemists Students' Association, RUSL (2024 - 2026)
- Member, IEEE Student Branch, RUSL (2023-2024)
- Speaker, IEEE Career Compass Sessions, Rajarata University of Sri Lanka, 2025
- Active participant in Sri Lanka Scout Association events and leadership roles (2014 - 2017)
- Runner-up, University Inter-faculty Elle
- Competition School Level Champion, Table Tennis and Chess
- Awarded Sport organize, Dharmapala vidyalaya pannipitiya (2019)
- Awarded Prefect , Homagama Central college (2016)
